MEMORANDUM FOR: Chairman, Project Review Committee

SUBJECT : DD/I Project [redacted]

25X1A

25X1A

1. At the request of the Deputy Director (Intelligence), the subject Project has been added to the PRC Agenda for the meeting of 5 May. However, distribution of the material for review was not made until 29 April and I find that the Project has not been considered by the Agency Automatic Data Processing Committee.

2. I feel strongly that an undertaking of this magnitude, involving almost a million dollars of Reserve funds, should be carefully reviewed by the Automatic Data Processing Committee. Without their approval I, for one, would not feel qualified to pass on the Project. It is requested that consideration of this be postponed at least one week to allow time for Committee review.
